ABOUT US

It is our mission to make trips more fun, more memorable and more comfortable.

Cartourism is for people who wish to explore the world in the comfort and safe space of a car. Cartourism is not for average tourists who wish to "cover all spots" in a tourist bus. No, no! Cartourism is for evolved tourists.

We want to give you an experience which is truly like no other. A trip full of thrill, adventure, and a smile so big that you end up carrying it back home. The best part is: None of our itineraries are ever repeated because each itinerary is always customised to suit your needs.
